Frontend Developer [September 28, 2020 - May 31, 2022](#)

[Nebulas IT Ltd.](#)

I was working at Nebulas IT. My designation was Frontend Developer and also a mentor in Web Design with WordPress course. Here I was working for almost 2 years my working domain is developing websites. Here I have developed almost 20 websites for our clients which are company portfolios, real estate, and eCommerce, and also working on a project which is currently working in Dhaka CMH. Here I was as a web design course mentor and 30 students completed my course also a fundamental computer course mentor and 100+ students completed my course.
